

Newsletter – September 2006

Dear Friends and Associates,

After this fine summer, right after the football world cup in our capital city Berlin, we take great pleasure in sharing the news of our recent activities with you.

With the credo "Woodstock was yesterday, now the music plays at the dragon boat races ..." We look back at the very successful 1st Salzburg Dragon Boat Cup & Festival 2006 which took place at the Buermoos lake (25km north of Salzburg, Austria) in June.

We would also like to introduce our new luxury resort & hotel project in one of the most beautiful, undiscovered locations in the Russian Federation.

Enjoy reading, and I hope to see you soon!

Walter
